Dear Mr Weisberg

I thank you for your letter of 4/27. I was not member of the apprehended gestapo spy ring and can't tell you about more details – they are in the FBI Files. And it will not be easy to get them opened. Classified military "secrets".

I am in trouble ~~with~~ obtaining copies of my FIA Files. Until the day I just got a meaningless scrap of paper from Fort Mead MD. about my short employement in

a tool design office in Phila
in 1942 with "secret" and "confidential"
notations blacked out. On tel. from
the FBI they told me my file
is classified - intrusion in privacy
of the Nation. Defense (Pentagon).
and they tossed the ball to them.
Secret about the 35 year old
skeletons in the closets -. Small
fry was probably toasted in the
electric chairs so long ago but
some higher up are still kicking
around (Like about JFK, Pearl Harbor,
watergate). What is the procedure
to go to court? I can't afford
a lawyer for this - may be just
writing up a petition. You have
had a long experience with that.

Yours truly
M. Kuhn
